

9th European Multidisciplinary Meeting on Urological Cancers (EMUC17) Multidisciplinary strategies in urogenital cancers

Friday, 17 November

08.15 - 08.20 **Welcome and Introduction**

Medical oncologist Thomas Powles, London (GB) - ESMO
Radiation oncologist Peter Hoskin, Northwood (GB) - ESTRO
Urologist Hein van Poppel, Leuven (BE) - EAU

08.20 - 10.05 **Locally advanced and high risk prostate cancer**

Chairs: Radiologist - Raymond Oyen, Leuven (BE)
 Radiation oncologist - Thomas Wiegel, Ulm (DE)
 Urologist - Francesco Montorsi, Milan (IT)

08.20 - 09.00 **MRI before biopsy for all men?**

YES Urologist - Hashim Ahmed, London (GB)
 Radiologist - Harriet Thoeny, Berne (CH)

vs

NO Radiologist - Olivier Rouvière, Lyon (FR)
 Urologist - Jochen Walz, Marseille (FR)

Last judgement:

Urologist - Nicolas Mottet, Saint-Étienne (FR)

09.00 - 09.15 **Index lesion in prostate cancer: Myth or reality?**

Pathologist - Mark Rubin, New York (US)

09.15 - 09.20 **Questions and answers**

09.20 - 09.50 **Will level 1 evidence influence our practice in focal therapy?**

YES Urologist - Mark Emberton, London (GB)

vs

NO Radiation oncologist - Alberto Bossi, Villejuif (FR)

Last judgement:

Urologist - Arnaud Villers, Lille (FR)

09.50 - 10.05 **Discussion**

10.05 - 10.50 **The optimal primary treatment of prostate cancer: A focus on the ProtecT study**

Chairs: Radiologist - Raymond Oyen, Leuven (BE)
 Radiation oncologist - Thomas Wiegel, Ulm (DE)
 Urologist - Francesco Montorsi, Milan (IT)

10.05 - 10.15 **ProtecT: What have we learnt?**

Radiation oncologist - Freddie Hamdy, Oxford (GB)

- 10.15 - 10.25** **Would modern staging change the results?**
Urologist - Silvan Boxler, Berne (CH)
- 10.25 - 10.35** **The statistician point of view**
Biostatistician - Mahesh Parmar, London (GB)
- 10.35 - 10.50** **Discussion**
- 10.50 - 11.20** ***Coffee break and poster viewing***
- 11.20 - 12.35** **Immunotherapy in urological cancers**
Chairs: Medical oncologist - Gerhardt Attard, Surrey (GB)
Urologist - Alexander Govorov, Moscow (RU)
Pathologist - Rodolfo Montironi, Ancona (IT)
- 11.20 - 11.35** **Biological basics of immune therapy**
Immunologist - Elfriede Nossner, Munich (DE)
- 11.35 - 11.50** **Prostate cancer**
Medical oncologist - Charles Drake, Baltimore (US)
- 11.50 - 12.05** **Bladder cancer**
Medical oncologist - Andrea Necchi, Milan (IT)
- 12.05 - 12.20** **Kidney cancer**
Medical oncologist - Thomas Powles, London (GB)
- 12.20 - 12.35** **Discussion**
- 12.35 – 12.45** **Summary of EPCCCM**
Urologist – Manfred Wirth, Dresden (DE)
- 12.45 - 14.00** ***Lunch break and poster viewing***
- 13.00 - 14.00** ***Industry session***
- 14.00 - 15.15** **Educational session on testis cancer: Clinical case discussion**
Chairs: Clinical oncologist - Jan Oldenburg, Oslo (NO)
Radiation oncologist - Peter Hoskin, Northwood (GB)
Urologist - Fred Witjes, Nijmegen (NL)
Pathologist - Michelangelo Fiorentino, Bologna (IT)
- 14.00 - 14.15** **Management of stage 1**
Urologist - Peter Albers, Düsseldorf (DE)
- 14.15 - 14.30** **Management of metastatic disease**
Medical oncologist - Karim Fizazi, Villejuif (FR)
- 14.30 - 15.15** **Case discussion “stage I Seminoma” Case presentation**
Urologist - Peter Albers, Düsseldorf (DE)

Medonc view Medical oncologist - Karim Fizazi, Villejuif (FR)
Radonc view Radiation oncologist - Gert De Meerleer, Ghent (BE)

Case discussion “Residual disease”

Urologist - Peter Albers, Düsseldorf (DE)
Medical oncologist - Karim Fizazi, Villejuif (FR)
Radiation oncologist - Gert De Meerleer, Ghent (BE)

15.15-15.30 Best of journal session: Radiotherapy

Chairs: Radiation oncologist - Bradley Pieters, Amsterdam (NL)
 Radiation oncologist - Pirus Ghadjar, Berlin (DE)

15.30 - 16.00 *Coffee break and poster viewing*

16.00 - 17.45 Educational session on bladder cancer: Clinical case discussion

Chairs: Radiotherapist - Anne Kiltie, Oxford (GB)
 Urologist - George Thalmann, Berne (CH)
 Pathologist - Antonio Lopez-Beltran, Lisbon (PT)
 Medical oncologist - Maria De Santis, Coventry (GB)

16.00 - 16.20 Bladder preservation: How and for whom?

Radiation oncologist - Nicholas James, Birmingham (GB)

16.20 - 16.35 Lymph node dissection: How high is enough?

Urologist – Stephen Boorjian, Rochester (US)

16.35 - 16.50 Molecular sub-types and implications for prognosis and therapy

Urologist - Roland Seiler, Berne (CH)

16.50 - 17.45 Case discussion by the panel and interaction with audience (1 case with cN1, 1 case on fit elderly patient, 1 case on neuroendocrine differentiation)

Radiation oncologist - Nicholas James, Birmingham (GB)
Urologist - Stephen Boorjian, Rochester (US)
Urologist - Roland Seiler, Berne (CH)

17.45 - 18.45 *Industry session*

Saturday, 18 November

08.15 - 08.30 Announcement 3 best unmoderated posters

Chairs: Clinical oncologist - Jan Oldenburg, Oslo (NO)
 Urologist - Michiel Sedelaar, Nijmegen (NL)

08.30 - 10.15 Oligometastatic kidney cancer

Chairs: Radiation oncologist - Vincent Khoo, London (GB)
 Urologist - Hein Van Poppel, Leuven (BE)
 Medical oncologist - Bernard Escudier, Villejuif (FR)
 Pathologist - Ferran Algaba, Barcelona (ES)

- 08.30 - 08.45 The optimal timing of cytoreductive nephrectomy**
Urologist - Axel Bex, Amsterdam (NL)
- 08.45 - 09.00 Expanding knowledge of adjuvant therapy**
Urologist - Karim Bensalah, Rennes (FR)
- 09.00 - 09.15 Potential biomarkers for decision making**
Urological researcher - Kerstin Junker, Homburg (DE)
- 09.15 - 09.25 Can local ablation delay the use of systemic therapy for oligometastasis - Radiation therapy**
Radiation oncologist - Piet Ost, Ghent (BE)
- 09.25 - 09.35 Can local ablation delay the use of systemic therapy for oligometastasis - Surgery**
Urologist - Susanne Krege, Essen (DE)
- 09.35 - 10.15 Case discussion by the panel and interaction with audience (we need 1 case with upfront M+ disease, young high risk/M0 patient, patient with progressing disease)**
Urologist - Umberto Capitanio, Milan (IT)
- 10.15 – 10.45 *Coffee break and poster viewing***
- 10.45 - 11.25 Oral presentations of the 6 best abstracts**
Chairs: Medical oncologist - Susanne Osanto, Leiden (NL)
Urologist - Hein Van Poppel, Leuven (BE)
Radiation therapist - Barbara Jereczek-Fossa, Milan (IT)
- 11.25 - 11.45 Highlights of APCCC2017**
Medical oncologist - Silke Gillissen, St. Gallen (CH)
- 11.45 - 12.15 Is there a shift for selection criteria and definition of reclassification for prostate cancer on active surveillance?**
Introduction: Pathologist - Rodolfo Montironi, Ancona (IT)
Pathologist - Jonathan I. Epstein, Baltimore (US)
- 12.15 - 12.45 Stand-alone session on recent updates/novelty (name TBC)**
- 12.45 - 14.00 *Lunch break and poster viewing***
- 13.00 - 14.00 *Industry session***
- 14.00 - 16.05 Management of loco/regional recurrences (prostate/penile cancer)**
Chairs: Medical oncologist - Silke Gillissen, St. Gallen (CH)
Urologist - Georg Salomon, Hamburg (DE)
Radiation therapist - Cesare Cozzarini, Milan (IT)
- 14.00 - 14.15 MRI/whole body MRI**
Radiologist - Frederice Lecouvet, Brussels (BE)
- 14.15 - 14.35 Use of PET/CT**
Nuclear medicine - Stefano Fanti, Bologna (IT)
- 14.35 - 14.45 Salvage surgery after radiotherapy**
Urologist - Steven Joniau, Leuven (BE)

- 14.45 - 15.00** **Salvage treatment after radical prostatectomy**
Radiation oncologist - Pirus Ghadjar, Berlin (DE)
- 15.00 - 15.15** **Management of local recurrences in penile cancer**
Urologist - Chris Protzel, Rostock (DE)
- 15.15 - 16.05** **Case discussion by the panel and interaction with audience (1 case for re-radiotherapy vs salvage RP, 1 case with nodal relapse)**
Urologist - Gianluca Giannarini, Udine (IT)
- 16.05 - 16.35** **Coffee break and poster viewing**
- 16.35 - 16.50** **Best of journals: Surgery**
Chairs: Urologist - Maurizio Brausi, Modena (IT)
Urologist - Jochen Walz, Marseille (FR)
- 16.50 - 17.45** **Educational session: Challenging cases in the management of Upper urinary tract TCC**
Chairs : Urologist - Evangelos Xylinas, Paris (FR)
Urologist - Joan Palou, Barcelona (ES)
- Clinical case discussion (including peri-operative chemo, imaging, pathologist, biopsy)
Clinical Oncologist - Ananya Choudhury, Manchester (UK)
Urologist - Morgan Roupret, Paris (FR)
Pathologist - Sara Falzarano, Cleveland (US)

17.45 - 18.45 **Industry session**

Sunday, 19 November

- 08.30 - 08.45** **Announcement 3 best unmoderated posters** (3x 2 min slide presentation)
Chairs: Medical oncologist - Silke Gillessen, St. Gallen (CH)
Urologist - Igle-Jan de Jong, Groningen (NL)
- 08.45 - 09.00** **Best of journals: Medical oncology**
Chairs: Medical oncologist - Cora Sternberg, Rome (IT)
Medical oncologist - Andrea Necchi, Milan (IT)
- 09.00 - 09.15** **Drug repurposing opportunities in uro-oncology**
Chairs: Medical oncologist - Cora Sternberg, Rome (IT)
Urologist – Hein van Poppel, Leuven (BE)
- Dr. Director Anticancer fund – Gauthier Bouche, Strombeek-Bever (BE)
- 09.15 - 11.00** **Evolving concepts in metastatic prostate cancer**
Chairs: Medical oncologist - Cora Sternberg, Rome (IT)
Urologist - Jeffrey Karnes, New York (US)
Radiation therapist - Thomas Wiegel, Ulm (DE)
- 09.15 - 09.30** **How should we treat our metastatic castrate sensitive patients?**
Medical oncologist - Karim Fizazi, Villejuif (FR)

- 09.30 - 09.45** **Monitoring patients with metastatic disease**
Radiologist - Anwar Padhani, Northwood (GB)
- 09.45 - 10.00** **Treatment of the primary in metastatic patients**
Urologist - Markus Graefen, Hamburg (DE)
- 10.00 - 10.15** **Molecular radiotherapy**
Radiologist - Uwe Haberkorn, Heidelberg (DE)
- 10.15 - 11.00** **Case discussion by the panel and interaction with audience (we need 1 case with oligoM+ then becoming poly-M+, 1 de-novo high volume M+ disease)**
Urologist - Simon Brewster, Oxford (GB)
- 11.00 - 11.30** **European Commission lecture**
Director General for Health and Food Safety - Xavier Prats Monné, Barcelona (ES)
- 11.30 - 12.20** **Take home messages**
- 11.30 - 11.40 Radiologist - Harriet Thoeny, Bern (CH)
- 11.40 - 11.50 Urologist - Igle-Jan de Jong, Groningen (NL)
- 11.50 - 12.00 Medical oncologist - Silke Gillessen, St. Gallen (CH)
- 12.00 - 12.10 Radiation oncologist - Bradley Pieters, Amsterdam (NL)
- 12.10 - 12.20 Pathologist - Rodolfo Montironi, Ancona (IT)
- 12.20 - 12.30** **Closing remarks**
- | | |
|----------------------|--------------------------------------|
| Medical oncologist | Thomas Powles, London (GB) - ESMO |
| Radiation oncologist | Peter Hoskin, Northwood (GB) - ESTRO |
| Urologist | Hein van Poppel, Leuven (BE) - EAU |
