

9th European Multidisciplinary Meeting on Urological Cancers (EMUC17) Multidisciplinary strategies in urogenital cancers

Friday, 17 November

08.15 - 08.20 **Welcome and Introduction**

Medical oncologist Thomas Powles, London (GB) - ESMO
Radiation oncologist Peter Hoskin, Northwood (GB) - ESTRO
Urologist Hein van Poppel, Leuven (BE) - EAU

08.20 - 10.05 **Detection and treatment of clinically significant prostate cancer**

Chairs: Radiologist - Raymond Oyen, Leuven (BE)
 Radiation oncologist - Thomas Wiegel, Ulm (DE)
 Urologist - Francesco Montorsi, Milan (IT)

08.20 - 09.00 **MRI before biopsy for all men?**

YES Urologist - Hashim Ahmed, London (GB)
 Radiologist - Harriet Thoeny, Berne (CH)
vs
NO Radiologist - Olivier Rouvière, Lyon (FR)
 Urologist - Jochen Walz, Marseille (FR)

Last judgement:
Urologist - Nicolas Mottet, Saint-Étienne (FR)

09.00 - 09.15 **Index lesion in prostate cancer: Myth or reality?**

Pathologist - Mark Rubin, New York (US)

09.15 - 09.20 **Questions and answers**

09.20 - 09.50 **Will level 1 evidence influence our practice in focal therapy?**

YES Urologist - Mark Emberton, London (GB)
vs
NO Radiation oncologist - Alberto Bossi, Villejuif (FR)

Last judgement:
Urologist - Arnaud Villers, Lille (FR)

09.50 - 10.05 **Discussion**

10.05 - 10.50 **The optimal primary treatment of prostate cancer: A focus on the ProtecT study**

Chairs: Radiologist - Raymond Oyen, Leuven (BE)
 Radiation oncologist - Thomas Wiegel, Ulm (DE)
 Urologist - Francesco Montorsi, Milan (IT)

10.05 - 10.15 **ProtecT: What have we learnt?**

Radiation oncologist - Malcolm Mason, Cardiff (GB)

- 10.15 - 10.25** **Would modern staging change the results?**
Urologist - Silvan Boxler, Berne (CH)
- 10.25 - 10.35** **The statistician point of view**
Biostatistician - Mahesh Parmar, London (GB)
- 10.35 - 10.50** **Discussion**
- 10.50 - 11.20** ***Coffee break and poster viewing***
- 11.20 - 12.35** **Immunotherapy in urological cancers**
Chairs: Urologist - Alexander Govorov, Moscow (RU)
Pathologist - Rodolfo Montironi, Ancona (IT)
- 11.20 - 11.35** **Biological basics of immune therapy**
Medical oncologist - Laura Morrison, New Haven (US)
- 11.35 - 11.50** **Prostate cancer**
Medical oncologist - Silke Gillessen, St. Gallen (CH)
- 11.50 - 12.05** **Bladder cancer**
Medical oncologist - Andrea Necchi, Milan (IT)
- 12.05 - 12.20** **Kidney cancer**
Medical oncologist - Thomas Powles, London (GB)
- 12.20 - 12.35** **Discussion**
- 12.35 - 12.45** **Summary of EAU Prostate Cancer Centre Consensus Meeting (EPCCCM)**
Urologist - Manfred Wirth, Dresden (DE)
- 12.45 - 14.00** ***Lunch break and poster viewing***
- 13.00 - 14.00** ***Industry session***
- 14.00 - 15.15** **Educational session on testis cancer**
Chairs: Clinical oncologist - Jan Oldenburg, Oslo (NO)
Radiation oncologist - Peter Hoskin, Northwood (GB)
Urologist - Fred Witjes, Nijmegen (NL)
Pathologist - Michelangelo Fiorentino, Bologna (IT)
- 14.00 - 14.15** **Management of stage 1**
Urologist - Peter Albers, Düsseldorf (DE)
- 14.15 - 14.30** **Management of metastatic disease**
Medical oncologist - Karim Fizazi, Villejuif (FR)
- 14.30 - 15.15** **Case discussion "Stage I seminoma"**
Case presenter : Clinical oncologist - Jan Oldenburg, Oslo (NO)

Urologist - Peter Albers, Düsseldorf (DE)
Medonc view: Medical oncologist - Karim Fizazi, Villejuif (FR)
Radonc view: Radiation oncologist - Gert De Meerleer, Leuven (BE)

Case discussion “Residual disease”

Case presenter : Clinical oncologist - Jan Oldenburg, Oslo (NO)

Urologist - Peter Albers, Düsseldorf (DE)
Medical oncologist - Karim Fizazi, Villejuif (FR)
Radiation oncologist - Gert De Meerleer, Leuven (BE)

15.15 - 15.30 Best of journals session: Radiotherapy

Chairs: Radiation oncologist - Bradley Pieters, Amsterdam (NL)
Radiation oncologist - Ananya Choudhury, Manchester (UK)

15.30 - 16.00 Coffee break and poster viewing

16.00 - 17.45 Educational session on bladder cancer

Chairs: Radiotherapist - Anne Kiltie, Oxford (GB)
Urologist - George Thalmann, Berne (CH)
Pathologist - Antonio Lopez-Beltran, Lisbon (PT)
Medical oncologist - Maria De Santis, Coventry (GB)

16.00 - 16.20 Lymph node dissection: How high is enough?

Urologist - Stephen Boorjian, Rochester (US)

16.20 - 16.35 Molecular sub-types and implications for prognosis and therapy

Pathologist - Antonio Lopez-Beltran, Lisbon (PT)

16.35 - 16.50 Bladder preservation: How and for whom?

Radiation oncologist - Nicholas James, Birmingham (GB)

16.50 - 17.45 Case discussion

Case presenter: Urologist - George Thalmann, Berne (CH)

Radiation oncologist - Nicholas James, Birmingham (GB)
Urologist - Stephen Boorjian, Rochester (US)
Medical oncologist - Maria De Santis, Coventry (GB)

17.45 - 18.45 Industry session

Saturday, 18 November

08.15 - 08.30 Announcement 3 best unmoderated posters

Chairs: Clinical oncologist - Jan Oldenburg, Oslo (NO)
Urologist - Michiel Sedelaar, Nijmegen (NL)

08.30 - 10.15 Oligometastatic kidney cancer

Chairs: Radiation oncologist - Vincent Khoo, London (GB)

Urologist - Hein Van Poppel, Leuven (BE)
Medical oncologist - Thomas Powles, London (GB)
Pathologist - Ferran Algaba, Barcelona (ES)

- 08.30 - 08.45 The optimal timing of cytoreductive nephrectomy**
Urologist - Axel Bex, Amsterdam (NL)
- 08.45 - 09.00 Expanding knowledge of adjuvant therapy**
Urologist - Umberto Capitanio, Milan (IT)
- 09.00 - 09.15 Potential biomarkers for decision making**
Urological researcher - Kerstin Junker, Homburg (DE)
- 09.15 - 09.25 Can local ablation delay the use of systemic therapy for oligometastasis - Radiation therapy**
Radiation oncologist - Piet Ost, Ghent (BE)
- 09.25 - 10.15 Case discussion**
Case presenter: Urologist - Umberto Capitanio, Milan (IT)
- Urologist - Axel Bex, Amsterdam (NL)
Urological researcher - Kerstin Junker, Homburg (DE)
Radiation oncologist - Piet Ost, Ghent (BE)
- 10.15 - 10.45 *Coffee break and poster viewing***
- 10.45 - 11.25 Oral presentations of the 6 best abstracts**
Chairs: Medical oncologist - Susanne Osanto, Leiden (NL)
Urologist - Hein Van Poppel, Leuven (BE)
Radiation therapist - Barbara Jereczek-Fossa, Milan (IT)
- 11.25 - 11.45 Highlights of Advanced Prostate Cancer Consensus Conference (APCCC2017)**
Medical oncologist - Silke Gillissen, St. Gallen (CH)
- 11.45 - 12.15 Is there a shift for selection criteria and definition of reclassification for prostate cancer on active surveillance?**
Introduction: Pathologist - Rodolfo Montironi, Ancona (IT)
Pathologist - Jonathan I. Epstein, Baltimore (US)
- 12.15 - 12.45 Stand-alone session on recent updates/novelties**
Chairs: Medical Oncologist - Thomas Powles, London (GB)
Urologist - Joana Neves, London (GB)
- 12.15 - 12.30 Novel concepts for urothelial cancer**
Medical Oncologist - Elisabeth Heath, Detroit (US)
- 12.30 - 12.45 A study of PD-L1 Diagnostic Assay Concordance in Urothelial Carcinoma**
Medical oncologist - Thomas Powles, London (GB)
- 12.45 - 14.00 *Lunch break and poster viewing***
- 13.00 - 14.00 *Industry session***

14.00 - 16.05 Management of loco/regional recurrences (prostate/penile cancer)

Chairs: Medical oncologist - Silke Gillessen, St. Gallen (CH)
Urologist - Georg Salomon, Hamburg (DE)
Radiation therapist - Cesare Cozzarini, Milan (IT)

14.00 - 14.15 MRI/whole body MRI

Radiologist - Frédéric Lecouvet, Brussels (BE)

14.15 - 14.35 Use of PET/CT

Nuclear medicine - Stefano Fanti, Bologna (IT)

14.35 - 14.45 Salvage surgery after radiotherapy

Urologist - Steven Joniau, Leuven (BE)

14.45 - 15.00 Salvage treatment after radical prostatectomy

Radiation oncologist - Alberto Bossi, Villejuif (FR)

15.00 - 15.15 Management of local recurrences in penile cancer

Urologist - Chris Protzel, Rostock (DE)

15.15 - 16.05 Case discussion

Case presenter: Urologist - Gianluca Giannarini, Udine (IT)

Radiologist - Frédéric Lecouvet, Brussels (BE)

Nuclear medicine - Stefano Fanti, Bologna (IT)

Urologist - Steven Joniau, Leuven (BE)

Radiation oncologist - Alberto Bossi, Villejuif (FR)

Urologist - Chris Protzel, Rostock (DE)

16.05 - 16.35 *Coffee break and poster viewing*

16.35 - 16.50 Best of journals: Surgery

Chairs: Urologist - Jochen Walz, Marseille (FR)

16.50 - 17.45 Educational session: Challenging cases in the management of Upper urinary tract TCC

Chairs : Urologist - Evangelos Xylinas, Paris (FR)

Urologist - Joan Palou, Barcelona (ES)

Clinical case discussion (including peri-operative chemo, imaging, pathologist, biopsy)

Case presenter: Urologist - Evangelos Xylinas, Paris (FR)

Clinical Oncologist - Ananya Choudhury, Manchester (UK)

Urologist - Morgan Roupret, Paris (FR)

Radiologist - Raymond Oyen, Leuven (BE)

Pathologist - Sara Falzarano, Cleveland (US)

17.45 - 18.45 *Industry session*

Sunday, 19 November

08.30 - 08.45 **Announcement 3 best unmoderated posters**

Chairs: Clinical oncologist - Jan Oldenburg, Oslo (NO)
Urologist - Igle-Jan de Jong, Groningen (NL)

08.45 - 09.00 **Best of journals: Medical oncology**

Chairs: Medical oncologist - Cora Sternberg, Rome (IT)
Medical oncologist - Andrea Necchi, Milan (IT)

09.00 - 09.15 **Drug repurposing opportunities in uro-oncology**

Chairs: Medical oncologist - Cora Sternberg, Rome (IT)
Urologist - Hein van Poppel, Leuven (BE)

Dr. Director Anticancer fund - Gauthier Bouche, Strombeek-Bever (BE)

09.15 - 11.00 **Evolving concepts in metastatic prostate cancer**

Chairs: Medical oncologist - Maria de Santis, Coventry (GB)
Urologist - Jeffrey Karnes, New York (US)
Radiation therapist - David Dearnaley, Sutton (GB)

09.15 - 09.30 **How should we treat our metastatic castrate sensitive patients?**

Radiation oncologist - Nicholas James, Birmingham (GB)

09.30 - 09.45 **Monitoring patients with metastatic disease**

Radiologist - Frédéric Lecouvet, Brussels (BE)

09.45 - 10.00 **Treatment of the primary in metastatic patients**

Urologist – Derya Tilki, Hamburg (DE)

10.00 - 10.15 **Molecular radiotherapy**

Radiologist - Uwe Haberkorn, Heidelberg (DE)

10.15 - 11.00 **Case discussion**

Urologist - Simon Brewster, Oxford (GB)

11.00 - 11.30 **European Commission lecture**

Director General for Health and Food Safety - Xavier Prats Monné, Barcelona (ES)

11.30 - 12.20 **Take home messages**

11.30 - 11.40 Radiologist - Raymond Oyen, Leuven (BE)

11.40 - 11.50 Urologist - Igle-Jan de Jong, Groningen (NL)

11.50 - 12.00 Clinical oncologist - Jan Oldenburg, Oslo (NO)

12.00 - 12.10 Radiation oncologist - Bradley Pieters, Amsterdam (NL)

12.10 - 12.20 Pathologist - Rodolfo Montironi, Ancona (IT)

12.20 - 12.30 **Closing remarks**

Clinical oncologist Jan Oldenburg, Oslo (NO) - ESMO

Radiation oncologist Peter Hoskin, Northwood (GB) - ESTRO

Urologist Hein van Poppel, Leuven (BE) - EAU
